Three Nashville and Franklin area business are joining forces to give back and help our community during the COVID-19 pandemic.

1) Cool Springs Upholstery in business for over 25 years has retooled their Brentwood factory and has already made hundreds of masks that have been donated to local area hospitals. They will continue making masks and working through the crisis following all applicable safety protocols.

2) Elite Leather Restoration is volunteering to use their decades of experience cleaning and sterilizing upholstery by offering to professionally apply an agent* that kills the COVID-19 virus on contact to any vehicle in exchange for any donation of gloves, hand sanitizer, or other product to be donated to area hospitals. They will also accept donations to their go-fund-me page.

3) Global Motorsports of Belle Meade a long time Nashville business is also offering professional auto upholstery sterilization using an agent* that kills CORVID-19 on contact at their location in Belle Meade off Harding Pike. They will also be a drop off point for donations for area hospitals.

All three of these businesses are committed to following the social distancing guidelines provided by the government and all other civic directives. Each of our staff members are volunteering to work in our various professional capacities to help Nashville get through this historical crisis. If you decide to leave the safety of your home, PLEASE, be sure to follow local guidelines and social distancing. Your health comes first.

OUR TEAM WILL TREAT YOUR VEHICLE FOR CORVID-19 USING SAFE PERSONAL PROTECTIVE EQUIPMENT. We have secured a large amount of EPA approved CORVID-19 killing agent and we want to provide it to anyone in need.

Drop off locations:

Elite Leather Restoration: 7106 Crossroads Blvd Suite 213, Brentwood TN 37027

Global Motorsports Belle Meade: 5210 Harding Pike, Nashville TN 37205

Cool Springs Upholstery: 7106 Crossroads Blvd Suite 213, Brentwood TN 37027

We will be accepting donations of gloves, hand sanitizer, disinfecting wipes, alcohol, and face masks. Any cash donations please use our go-fund-me account. Cash donations will be distributed to our brave team members who are volunteering to work through this crisis.

* Chem San is EPA approved and is the agent used to kill COVID-19. We have the MSDS sheet available upon request.
